

# OXLEY PARK PLACE PLAN 2017-2020

VISION STATEMENTS	SHORT TERM ACTIONS (2017 – JUNE 18)	LONG TERM ACTIONS (JULY 2018- JUNE 2020)
<p>Our neighbourhood is clean and tidy</p>	<p>Council will coordinate a publicised blitz on illegal dumping</p> <p>February 2017 – complete</p> <p>Waste Rangers will give special focus to Oxley Park over the Spring and Summer months September 2017 – March 2018</p> <p>Council will conduct an education and enforcement project regarding kerb-side clean ups in October-November 2017 and March-April 2018</p>	<p>Council will actively promote our waste, public domain, graffiti hotline, and ranger programs as part of an active communications strategy</p> <p>Council will actively build relationships with local realtors to promote our waste management services for rental tenants and new home owners</p>
<p>We can get around easily and safely</p>	<p>Council has investigated a number of treatments suitable for the control of traffic surrounding Oxley Park Public School</p> <p>Council has utilised Variable Message Signs displaying a 'slow down' message on several streets in June 2017. This strategy will be implemented on Sydney Street close to the public school in September 2017</p> <p>Councils Local Traffic Committee has received a report regarding line marking on Adelaide Street surrounding Oxley Park Public School (complete)</p>	<p>Subject to further consultation with residents on Adelaide Street, between Sydney and Perth Streets, Council will install appropriate line markings and signage to aid parking in front of the public school.</p> <p>Council will engage a consultant to conduct a walkability study of Oxley Park, identifying footpath maintenance issues and opportunities for formalising recreational walking</p> <p>Council will seek funding to construct a formal shared walking/bike path throughout Oxley Park</p> <p>Council will fund and deliver maintenance work identified through the walkability study</p>

	<p>The Local Traffic Committee has received a report on signage and line marking on Craig Avenue, Oxley Park (complete)</p> <p>Council will coordinate a publicised blitz on illegal parking February 2017 (complete) and November 2017</p> <p>The Road Safety Officer will continue to work with Oxley Park Public School to promote consideration of neighbours and pedestrian safety</p> <p>Council has conducted an audit of all bus routes and shelters across the City, including Oxley Park</p>	<p>Council will seek funding to provide suitable bus shelters at identified high priority stops noting the particular request from residents on Brisbane Street</p> <p>As requested by local residents, Council will install line marking and signage in Craig Avenue to improve road safety conditions</p> <p>Council will consult with the local residents regarding speed reduction devices in Adelaide Street</p> <p>Council will consult with local business owners and residents in relation to parking and bus stops at the Sydney Street shops</p>
Our children have great places to play and make lasting memories	<p>Council will construct a playground on the corner of Brisbane and Australia Streets in 2017 which has been co-designed by local children through <i>Parkitects</i></p>	<p>Council will seek funding to construct the playground and passive recreation space in Brian King Park on Braddon Street</p>
Our local shops reflect the pride we have in our neighbourhood	<p>Council has consulted the community and businesses operators at the Sydney Street shops to inform the development of plans to improve the Council owned outside the shops. This project is known as <i>Local Charm</i></p>	<p><i>Local Charm Sydney Street</i> will commence in early 2018 and enhancements will be complete by end June 2018</p>
We know how to advocate for what we need	<p>Council will develop a communications strategy for Oxley Park with particular focus on promoting waste services and educating residents on Council services available to them</p>	<p>Council will develop service information cards to be distributed to all homes on one occasion in 2018 and one occasion in 2019</p> <p>Council will develop a project seeking to engage specifically with resident who reside in newly</p>

		<p>developed medium density housing in order to map their needs</p> <p>Council will deliver Community Leadership Training in Oxley Park in 2018</p>
Our Council is planning for our future	<p>Council will prepare an amendment to the Development Control Plan (Oxley Park) and take this to Council for endorsement by June 2018. Amendments will include wider frontages required which will encourage consolidation of lots for development and limit stacked parking.</p>	<p>Council is reviewing residential development within the Local Housing Strategy and will update development controls for multi-unit (townhouse) development within Council's Development Control Plan (city wide) in order to enable more satisfactory development outcomes long term</p> <p>Council will continue to work with property owners to retrofit previously approved designs to accommodate kerbside waste pick up services</p>
