

OXLEY PARK PLACE PLAN 2017-2019

PROGRESS REPORT - NOVEMBER 2018

VISION STATEMENT	SHORT TERM ACTIONS (JUNE 2017 – JUNE 2018)	PROGRESS UPDATE	LONG TERM ACTIONS (JULY 2018 – JUNE 2020)	PROGRESS UPDATE
OUR NEIGHBOURHOOD IS CLEAN AND TIDY	<i>Council will coordinate a publicised blitz on illegal dumping.</i>	Complete Waste services completed 2 illegal dumping blitz campaigns between January 2017 and January 2018, and continue to conduct regular inspections in Oxley Park.	<i>Council will actively promote our waste, public domain, graffiti hotline, and ranger programs as part of an active communications strategy.</i>	Complete / Ongoing Corporate Communications and Marketing, and Neighbourhood Renewal developed a Communications Strategy in March 2018 for ongoing delivery in Oxley Park.
	<i>Waste Rangers will give special focus to Oxley Park over the Spring and Summer months September 2017 – March 2018.</i>	Complete Waste Rangers have undertaken extensive engagement in Oxley Park since September 2017, and continue to provide a special focus on the neighbourhood. Waste Rangers report a significant decrease in illegal dumping and an increase in booked kerbside clean ups.	<i>Council will actively build relationships with local realtors to promote our waste management services for rental tenants and new home owners.</i>	Ongoing Waste Management Services continue to engage with local realtors to promote Council's waste services.
	<i>Council will conduct an education and enforcement project</i>	Complete Since May 2018, Waste Services has conducted a		

	<i>regarding kerb-side clean ups in October-November 2017 and March-April 2018.</i>	door knocking project, visiting 224 properties, including 102 meaningful conversations providing education about waste services and kerb-side clean ups.		
WE CAN GET AROUND EASILY AND SAFELY	<i>Council will investigate a number of treatments suitable for the control of traffic surrounding Oxley Park Public School.</i>	Complete Engineering Services has investigated potential traffic control treatments. Children's Crossing signs and lines have been approved to improve the pedestrian crossing on Sydney Street. Paint and line makings have been refreshed at both crossings near the school and new marked parking bays have been installed.	<i>Subject to further consultation with residents on Adelaide Street, between Sydney and Perth Streets, Council will install appropriate line markings and signage to aid parking in front of the public school.</i>	Complete Engineering Services has refreshed the line markings at the pedestrian crossing, and maintained all signage. The 'No Stopping' zone sign for the pedestrian crossing has been relocated to the far side of the School Staff Car Park Driveway, to prevent people parking or dropping off students in the driveway, which had caused pedestrian safety concerns. In addition, driveway line markings were on Adelaide Street between Sydney Street and Perth Street.
	<i>Council will utilise Variable Message Signs displaying a 'Slow Down' message on several streets in May to September 2017.</i>	Complete Engineering services placed a Variable Message Sign Trailer on Melbourne, Brisbane, Canberra, Sydney and	<i>Council will engage a consultant to conduct a walkability study of Oxley Park, identifying footpath maintenance issues and opportunities for</i>	Ongoing Asset Management are conducting ongoing inspections for path maintenance as a priority. Path paving repairs were

		Adelaide Streets from May to September 2017. These streets will continue to be monitored.	<i>formalising recreational walking.</i>	carried out in Sydney Street and along the Great Western Highway during 2017.
	<i>Council's Local Traffic Committee will receive a report regarding line marking on Adelaide Street surrounding Oxley Park Public School.</i>	Complete Engineering services refreshed the line marking at the pedestrian crossing near Oxley Park Public School and maintained the signage. Parking signage at the shops has been repaired following vandalism.	<i>Council will seek funding to construct a formal shared walking/bike path on a key route within Oxley Park.</i>	Ongoing Engineering Services are investigating opportunities and will seek funding after July 2018. In response to resident requests, the installation of a new footpath on Braddon Street has been escalated and proposed for funding in 2019/20.
	<i>Council will coordinate a publicised blitz on illegal parking throughout February 2017, and November 2017.</i>	Complete Parking rangers are conducting weekly inspections of illegal parking in school zones and around construction sites in the area and are issuing parking infringements where necessary.	<i>Council will fund and deliver maintenance work identified through a walkability study.</i>	Ongoing Asset Management are conducting ongoing inspections for path maintenance as a priority. Path paving repairs were carried out in Sydney Street and along the Great Western Highway during 2017. Path repairs

				will continue as works are identified.
	<i>Council's Road Safety Officer will continue to work with Oxley Park Public School to promote consideration of neighbours and pedestrian safety.</i>	Ongoing Engineering services continues to engage with Oxley Park Public School.	<i>Council will seek funding to provide suitable bus shelters at identified high priority stops noting the particular request from residents on Brisbane Street.</i>	Complete Engineering Services has installed two new bus shelters on Brisbane Street.
	<i>Council will conduct an audit of all bus routes and shelters across the City, including Oxley Park.</i>	Complete Engineering Services has installed two new bus shelters on Brisbane Street.	<i>As requested by local residents Council will install line marking and signage in Craig Avenue to improve road safety conditions.</i>	Complete Engineering Services has installed double barrier centrelines and 'No Stopping' zone signs on the sharp bend at Craig Avenue near Lucy Dobson Park.
<i>Council will consult with the local residents regarding speed reduction devices in Adelaide Street.</i>			Complete Engineering Services has installed three speed humps at various locations on Adelaide St.	
<i>Council will consult with local business owners and residents in relation to parking and bus stops at the Sydney Street shops.</i>			Complete Engineering Services conducted a review of parking zones in the area, and has undertaken consultation with residents. An additional 4	

				new parking spaces have been created with another 2 expected to be made available by December 2018.
OUR CHILDREN HAVE GREAT PLACES TO PLAY AND MAKE LASTING MEMORIES	<i>Council will construct a playground on the corner of Brisbane and Australia Streets in 2017 which has been co-designed by local children through the Parkitects project.</i>	Complete Neighbourhood Renewal conducted a co-design process with children from Oxley Park Public School and worked with the Design and Projects Team and Open Space Projects Team to construct and launch the playground on 23 February 2018.	<i>Council will seek funding to construct the playground and passive recreation space in Brian King Park on Braddon Street.</i>	Complete Neighbourhood Renewal will conduct a co-design process with local children through the Penrith Mayoral Challenge in Brian King Park in 2022-23.
OUR LOCAL SHOPS REFLECT THE PRIDE WE HAVE IN OUR NEIGHBOURHOOD	<i>Council has consulted the community and businesses operators at the Sydney Street shops to inform the development of plans to improve the Council owned land outside the shops. This project is known as 'Local Charm'.</i>	Complete Neighbourhood Renewal completed the upgrade of Sydney Street shops in July 2018.	<i>'Local Charm, Sydney Street' will commence in early 2018 and enhancements will be complete by end June 2018.</i>	Complete Neighbourhood Renewal completed the upgrade of Sydney Street shops in July 2018
WE KNOW HOW TO ADVOCATE FOR WHAT WE NEED	<i>Council will develop a communications strategy for Oxley Park with a focus on promoting waste services and educating residents on Council</i>	Complete and Ongoing Corporate Communications and Marketing, and Neighbourhood Renewal developed a Communications Strategy	<i>Council will develop service information cards to be distributed to all homes on one occasion in 2018 and one occasion in 2019.</i>	Complete and Ongoing Neighbourhood Renewal and Communications and Marketing have completed the development of the

	<p><i>services available to them.</i></p>	<p>in March 2018 for ongoing delivery in Oxley Park. Neighbourhood Renewal have developed a community engagement campaign, <i>Good Neighbour</i>, for ongoing delivery in Oxley Park in order to increase residents' understanding of how to report issues and contribute to a cohesive community.</p>	<p></p> <p><i>Council will develop a project seeking to engage specifically with residents who reside in newly developed medium density housing in order to map their needs.</i></p> <p><i>Council will deliver Community Leadership Training in Oxley Park in 2018.</i></p>	<p>information cards and distribution is ongoing.</p> <p>Ongoing Neighbourhood Renewal has facilitated community engagement projects including a <i>Neighbour Day</i> community event, a Neighbourhood BBQ and pop-up events throughout Oxley Park to give residents the opportunity to speak to Council staff about their thoughts in Oxley Park. In addition, <i>Good Neighbour</i>, a community engagement campaign to increase residents' understanding of how to report issues and contribute to a cohesive community has been developed for ongoing delivery.</p> <p>Complete Neighbourhood Renewal delivered Community Leadership Training in Oxley Park in May 2018 for 13 local residents. Participants delivered their own Neighbourhood BBQ in June 2018.</p>
